***Brooks Dagman*****15th Year****Head Coach**

Brooks Dagman enters his fifteenth season as the Head Coach of Men's Rowing at USD. Over the past fourteen seasons, Dagman has turned the USD Men's Crew Program into one of the most respected programs in the west. During his tenure, Dagman has consistently guided USD into the medals at both the regional and national level.

In 2004-05 the Toreros closed out season in fine fashion with gold and silver performances at the Western Intercollegiate Rowing Association Championships (WIRAs). USD's Novice Four won gold (and collected 16 sets of opponents racing shirts) while the Varsity Four collected silver. The win at WIRAs is the program's first set of golds at a major regional race in several years.

This year the Toreros also won the team efficiency trophy at WIRAs, which indicates how well each USD entry did in their respective race. With two sets of medals, and three grand final appearances out of three entries, USD was able to best cross-town rivals UCSD by a small margin to win this prestigious trophy. The Toreros also finished the season with bronze medals in the West Coast Conference Championship varsity eights race.

Besides his USD position, he has also served as assistant coach on the U.S. National Rowing Team which competed in the Pan American Games in Argentina; has worked with the national team at Lake Olay; been President of the Western Intercollegiate Rowing Association; and served as the southwest representative for the Mens Olympic Rowing Committee. Dagman was named to the USD post in 1992 after serving as senior assistant coach at UCLA from 1986-91. He earned three varsity letters as an oarsman for the Bruins (1982-85), receiving the team's Most Valuable Oarsman Award in 1984. Brooks and his wife, Barbara, reside in Lemon Grove with their daughter, Madeleine (12), and newborn son, Hayden.

Nick Navarro**3rd Year****Assistant Coach**

Born and raised in San Diego, Nicholas arrived at USD in the autumn of 1999 with no prior rowing experience. After spending his first two years establishing himself in the program, he began to prosper in his junior year when he made the Varsity Lightweight 8 and was voted "Most Improved" for the 2002 season. In order to prepare for his senior season at USD, Nick spent the summer of 2002 in Vancouver, Washington as a coach, rigger and racing team member with Vancouver Lake Crew. The summer training paid off, and Nick quickly established himself as one of the top starboards on the team early in the season. He was a member of the Men's Open 4 that won the 2002 San Diego Fall Classic and sat bow in the Varsity 8 that set a school record of 5:58 for a 2,000 meter race at the 2003 WCC Championships, winning a silver medal in the process. That Varsity 8 went on to race in Philadelphia at the Dad Vail Regatta, where they finished a remarkable 9th place in USD's first appearance in a V8 at that regatta. Nick was the only rower from his novice year to complete all four years of rowing, and he did so earning the team MVP honor in his senior year. In 2005, Nick helped guide the novice program to victory at the Western Intercollegiate Rowing Association Championships.

***Coggeshall Rowing Center***

"With the departure of six seniors, the coming season will be full of opportunity for the younger members of the squad. With a strong contingent of returning novices, five of whom are Western Intercollegiate Rowing champions, along with several talented upperclassmen and incoming recruits, the 2006 squad could prove to be one of USD's best yet."

NINA WILLIAMS

The University of San Diego

SETTING

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego. The campus was named after a Spanish village near Madrid - Alcala de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university whose buildings became the inspiration for USD's architectural style.

THE CAMPUS

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring major buildings designed in an ornamental 16th century Spanish Renaissance style. Since 1984, USD has completed numerous major construction and expansion projects. In 2000 the Jenny Craig Pavilion, a 5,100-seat athletic center, opened its doors as home to USD basketball and volleyball. Two years ago the Joan B. Kroc Institute for Peace and Justice opened on the west end of campus, and this past Fall the Donald P. Shiley Center for Science and Technology opened. A five-story, Spanish Renaissance parking garage (1,100 spaces) was completed in 1998. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories.

ACADEMICS

USD enrolls more than 7,200 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates. In the annual ratings of the country's colleges and universities, published by U.S. News & World Report, USD moved from the regional to national category in 1994. The university is currently ranked 106th among the top schools in the nation.

STUDENT LIFE

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in intramural sports.

ATHLETICS

USD is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. The football team is in its 11th season in the Pioneer Football League. Women's sports include: basketball, cross country, rowing, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, cross country, golf, football, rowing, soccer and tennis. Since 1990 USD teams have made 42 NCAA post-season appearances; garnered 39 All-America selections; had 33 Conference Coaches of the Year; 27 Conference Players of the Year; 14 Conference Freshmen of the Year; won 14 conference championships; and 4 WCC Scholar Athletes of the Year. Two seasons ago saw the men's basketball program win their first WCC Basketball Tournament Championship and advance to the NCAA Tournament for the first time in sixteen years.
